### **CASH PAYMENT FINANCIAL AGREEMENT**

We would like to take a moment to welcome you to our office and assure you that you will be receiving the very best care available.

In order to familiarize you with the financial policies of our office, we would first like to explain how your medical bills will be handled.

It is our policy in this office to maintain your account on a current basis. Charges for treatment are due at the time service is provided unless other arrangements are made with our business office.

After a period of ninety days, any unpaid balances will be considered past due and may be subject to a 1.5% per month interest charge. Our office policy is that a patient's balance not exceeds \$200.00. If it does exceed that amount, treatment may be suspended until the balance can be taken care of. If you need special arrangements, please see the business office.

It is also the policy of the office that if you should suspend or terminate your care and treatment, any outstanding fees for professional services rendered to you will be immediately due and payable.

Once again, we would like to welcome you to our office. If you have any questions at this time, please feel free to ask.

I have read and agree to the above.
